THE MONTH OF GROWTH

Our dear Man of God, Pastor Chris, has declared September as the Month of Growth.

Growth is God's plan for our lives. Throughout Scripture, we are encouraged to grow, increase, enlarge, expand, and become greater. The Greek word *auxanō*, translated as "grow," carries these meanings.

Isaiah 54:2-3 speaks of enlargement and expansion, while Acts 6:7 and Acts 19:20 show the Word of God increasing and prevailing. Colossians 1:9-10 teaches us to grow in the knowledge of God and become fruitful in every good work.

Growth begins with the Word. 1 Peter 2:2 tells us to desire God's Word so that we may grow through it. Ephesians 4:14-15 further shows that we are not meant to remain as children, but to grow up into

Christ in all things.

Jesus Himself is our example of growth. Luke 2:40 says He grew, became strong in spirit, increased in wisdom, and had the grace of God upon Him. Luke 2:52 says He increased in wisdom, stature, and favour with God and man.

Therefore, growth should be evident in every area of our lives. Be it spiritually, mentally, in wisdom, character, capacity, effectiveness, and impact.

You are licensed to grow.

Don't remain at the same level. Increase your capacity. Grow in the Word. Grow in wisdom. Grow in grace. Grow in influence. Become more fruitful and more effective in God's purpose for your life.

As 2 Peter 3:18 says, "Grow in grace, and in the knowledge of our Lord and Saviour Jesus Christ."

Growth is your life.

You are increasing.

You are expanding.

You are becoming greater.

Grow nonstop!

SIT, LISTEN, ASK: THE POSTURE OF GROWTH

Sit, Listen, Ask. Growth begins with the humility to admit that you don't know everything.

In Luke 2:46-47, our Lord Jesus, even as a young boy, was found sitting among the teachers, listening and asking questions. If Jesus demonstrated the posture of learning, we must never become too proud to learn.

To sit is to submit.

To listen is to receive.

To ask is to seek understanding.

Pride often keeps us from doing these things. We think, "I should already know this," or "What will people think if I ask?" But refusing to ask questions does not make us knowledgeable; it can keep us stuck.

There were times when people found it difficult to understand particular scripture until they sat with elders or in meditation with the holy spirit and listened. The Scripture had not changed, but the understanding had, and they began to see a broader context and gained a clearer understanding of how God's Word applied to His purpose for their lives.

Our man of God, Pastor Chris, has consistently taught the importance of studying the Word because it contains God's wisdom and principles for a victorious life. But learning is not enough. What we learn must be applied.

There are levels of spiritual maturity, purpose, responsibility, and

life that require new understanding. And sometimes, the next level is not waiting for us to know more; it is waiting for us to become humble enough to learn.

As a child of God, keep learning. Study the Word. Listen to your pastor. Learn from your mentors. Ask the questions that give you understanding. Then apply what you learn.

Growth is not a one-step process; it is a milestone. Some have crossed milestones you have not yet reached. Be willing to sit, listen, and ask.

SOM NEWS & IMPACT REPORTS

YOUNG PREACHERS SUMMIT EGYPT

The Young Preachers Summit Egypt was held in Cairo, Egypt, on the 17th of August 2026, presented by the Loveworld SOM (Loveworld Sons of Ministry) in collaboration with Preacher's Kid Network. The event took place at 4 PM GMT+1, which was 6 PM Cairo Time, at the New Obaidiya Language School, Hadayek El-Qobba, Cairo, Egypt, and was streamed live via SOM TV (somtvl Loveworldsonsofministry.org).

The summit was organised for children of Pastors, Prophets, Bishops, Apostles, Priests, Deacons, and young preachers, and connected participants from the Preachers' Kids (PK) Network and the wider SOM community through the livestream.

The summit was graced by an esteemed line-up of ministers and leaders. Pastor Moses Olayemi, Zonal Pastor of Benin Zone 1, was present, alongside Pastor Lekan Ayejimiwo, Zonal Pastor of Chad Zone. Also in attendance were Pastor Victor Soliman and Sis Halaah Soliman, both from Egypt, as well as Pastor Yemi Akinwumi, Director General of Loveworld Networks, and Bro John Samuel from Egypt. The Esteemed SOM Coordinator was present in the conference, alongside other SOM leaders who supported the coordination and success of the event.

Through the live stream, the summit connected the PK Network and SOM audiences, delivering a shared experience across locations. The gathering was well received and is described internally as having made an amazing impact on the young preachers and Preachers' Kids in attendance and online. Over 600 people tuned in live to the program and were greatly impacted and blessed.

In all, the Young Preachers Summit Egypt successfully brought together senior ministers, SOM leadership, and the PK/SOM community for a night of ministration and impartation, reinforcing SOM's ongoing commitment to raising and equipping young preachers across zones.

IMPACT REPORT: NIGHT OF A THOUSAND CRUSADES

"It has been a glorious time winning souls and taking the Gospel to the people! The Night of the Thousand Crusades has been an incredible experience, and I am deeply grateful to the Lord for the tremendous harvest of souls.

So far, we have organised two major outreaches, with remarkable results.

1. Open-Air Outreach at a Popular Junction

Our first outreach took place at a popular junction within our catchment area, where we held an open-air outreach.

The response was truly remarkable. As we ministered, we could see people across the street engaging with the message. Many were drawn to our location to receive copies of the Rhapsody of Realities, demonstrating the deep hunger for God's Word among the

people.

The atmosphere was filled with excitement as people listened, responded to the Gospel, and made the decision to receive Christ.

More than 25 people gave their lives to Christ during the outreach, and we are exceedingly grateful to the Lord for every soul won.

2. Bikers Outreach

Our second outreach was a Bikers Outreach, specifically targeted at commercial motorcycle operators. We identified a junction where a large number of bikers regularly gathered and took the opportunity to minister the Gospel to them.

It was an incredibly inspiring experience. We witnessed firsthand that the harvest truly is plenteous and the hearts of the people are ready to receive the Gospel.

We engaged over 80 bikers, and more than 50 of them gave their lives to Christ. In addition to ministering the Word, we distributed our ministry materials, including Rhapsody Bibles, Healing to the Nations magazines, and Rhapsody of Realities. We also went a step further by providing raincoats for the bikers to support them in their daily work.

The response was deeply encouraging. Their excitement as they received the materials and participated in the prayer of salvation was unmistakable. Even more encouraging was the commitment expressed by several of them to begin attending church.

We are actively following up with these new converts to ensure that they are properly integrated into the church and continue to grow in their faith.

We are immensely grateful to our Man of God for this beautiful opportunity to reach souls and for the vision and mandate to see the preaching of the Gospel completed.

We are also grateful for the spiritual and practical resources made available to us, which have empowered us to reach people, transform lives, and bring the Gospel to different communities.

And this is only the beginning!

We still have several outreaches lined up, and we are expectant about the impact that will be recorded in the coming weeks. By the end of September, we believe we will have reached many more people, won many more souls, and recorded even greater testimonies.

Glory to God!

BEHIND THE SERVICE: BEHIND-THE-SCENES WORK OF SERVING IN AN SOM DEPARTMENT

SISTER FAVOUR FRANK, SOM NIGERIA REGION

1.) What Department do you serve in, and how long have you served in it?

I serve in several departments, functioning in different areas, but what I'll be talking about is the Rhapsody with SOM team, where I have served for the past two years.

2.) What is your role in your department and how do you think it relates to your calling as an SOM?

I function as the Admin of the department, where I coordinate and manage the schedules for the voice-over artists and video editors, who also work on the monthly templates. As part of my role, I prepare the monthly schedules for the different teams, ensure that the required audios are delivered on time, and make sure they are properly vetted before being sent to the editors for seamless production and eventual posting. This role relates directly to my calling as an SOM because I am a Son of Ministry, called into the ministry of sonship. Service is one of the practical expressions of this calling, and through this department, I have the opportunity to serve, contribute to the work of the ministry, and make an impact in the lives of others.

3.) What Challenges did you face when just joining the department, and how did you overcome them?

When I first joined the department, one of the challenges I faced was getting timely responses from some people, which sometimes meant I had to record audios that had been assigned to others to stay on schedule. Another challenge was the quality of some of the submitted audios, so we had to reach out to the voice-over artists and have the audios re-recorded. We also experienced a workforce challenge, as there were not enough people on the team to handle the volume of work.

I overcame these challenges by working closely with team members who had been in the department before me and by seeking counsel and guidance from my Esteemed Regional Leader, who regularly holds meetings with us and provides direction. As the team grew, we took deliberate steps to strengthen our workforce, onboarding new members into the voice-over, video editing, and Admin teams, and developing a QC team to properly vet the audios and identify errors before production.

Through these processes, I learnt the importance of teamwork, communication, follow-up, delegation, and maintaining excellence in service.

4.) What's your favourite thing about your department?

My favourite thing about the department is the joy and fulfilment that comes from knowing that we have blessed someone with Rhapsody for the day.

There is a great sense of satisfaction in knowing that, through our service, someone can receive God's Word and be blessed, inspired, and strengthened for the day.

I also love the opportunity to meet and work with fellow SOMs as they join the team. It creates an environment where we can serve together, learn from one another, and grow in our commitment to the work of the ministry.

5.) Give a word of advice to an SOM looking to join a department or not even in one?

My advice to you is: stop thinking about whether or not you are qualified or have the capacity to do the work; just get involved and serve. You may not know everything when you start, and you may not even feel fully prepared, but there is so much that you learn simply by making yourself available.

Today, I can boldly say that through serving in an SOM department, I have learnt human relations, communication, follow-up, coordination, teamwork, and even some aspects of graphic design—all from simply being available to serve. So, don't wait until you feel completely ready. Make yourself available, learn on the job, grow, and serve with excellence.

I am deeply grateful to my Highly Esteemed SOM Coordinator, Pastor Sandra Meduteni, and my Esteemed Regional Leader, Pastor Laura Gbadebo, for the opportunity to serve, grow, and be relevant in the work of the ministry.
